NOTICE TO CEASE & DESIST

While the State of Washington strongly **RECOMMENDS** the wearing of masks, there is no law in place requiring them. It has been brought to the attention of the Sheriff's office that certain businesses have implemented policies denying entry or access to services for those absent a face covering. Regardless of such policies being considered as justified or common any such policy is in **DIRECT VIOLATION OF WASHINGTON STATE LAW AND IS DISCRIMINATORY, UNLAWFUL AND UNCONSTITUTIONAL.**

Individuals without a face covering cannot be considered a direct threat unless they have been deemed to be contagious by a treating physician with full access to their medical history, and are entitled to full access at all places of public accommodation. **Washington State Law (RCW 49.60.030)**

A person that complies with all lawful conditions at places of public accommodation cannot be considered as trespassing. Behavior meant to create a hostile or unsafe environment toward those without a face covering is regarded as **HARASSMENT**, which is a **CRIMINAL OFFENSE** under **Washington State Law (RCW 9A.46.020)** Harassment is a **GROSS MISDEMEANOR punishable by up to a year of jail time and/or up to \$5,000 in fines.**

The following types of actions toward individuals without a face covering are regarded as HARASSMENT:

Subjecting someone to physical restraint such as blocking their entry or restraining their free movement.

DEPRIVATION OF RIGHTS UNDER COLOR OF LAW (18USC Section 242).

Being unlawfully detained by police when there is no evidence of trespass. Such action by law enforcement is considered

Washington State Law (RCW 42.20.040) FALSE REPORT.

Every public officer who shall knowingly and willingly make any false or misleading statement in any official report or statement, under circumstances not otherwise prohibited by law, shall be guilty of a gross misdemeanor.

Threatening someone so as to create concern for their physical or mental health safety, such as calling or purporting to call law enforcement under the guise of a trespass violation.

The Office of the Sheriff is the chief law-enforcement agency in the County with duty to keep peace and uphold the **LAW** in accordance with Federal and State Constitutions. This document serves as an order to **CEASE AND DESIST** harassment, which is an **UNLAWFUL ACTION** as outlined above. Whoever chooses to knowingly and willingly engage in unlawful behavior is committing a **CRIMINAL OFFENSE** and is subject to any punishments afforded by well established law. In the execution of their duties, the Sheriff may arrest and commit to prison all persons who break the peace, attempt to break the law, and all persons guilty of these public offenses, which is conduct that is in violation of the United States Constitution, the Washington State Constitution and well established law and will be punished to the fullest extent the law will allow.
