PATRIOT ACTION TEAMS

1. Meet with patriot groups and 3 percenters to form **PATRIOT ACTION TEAMS** to be boots on the ground protecting our business owners who choose to fully open and lawfully defy tyrannical governor mandates. **Vet these people**. We must always remain peaceful.
2. Set up a group text system. Find businesses that are grouped together whether it is a street in a small town or a strip mall. This way the **Patriot Action Teams** will be close by other businesses that may need our support while they are called. Try to get 12 businesses on each group text. Then be sure to have at least **20 P.A.T.** members on that group text. If business owners are threatened, text **SOS**. If a **P.A.T.** is available, text **OK**. This way the owner knows that help is on the way.
3. These teams will show up when owners rights are violated by **ANY** government official or public servant. We are to be **peaceful and lawful**. Take video, Facebook live, photos and quote our constitutionally protected rights. Bring **Cease and Desist** and **Notice of Discrimination** forms to fill out and file them at the Sheriff's office. Inform them that **We the People** hold the power and if they persist to violate our unalienable rights that the **Constitutional Law Group** will sue them in their official and private capacity. That means they will no longer have a job, home, cars, or anything they worked for their whole life.
4. Go to **constitutionallawgroup.us** and click on our **Welcome** page. Once there you will find **URGENT- CALLING ALL PATRIOTS pdf**. Print this out and memorize what to say when these tyrants show up. You will also find many other flyers on our **Resource** page to have available. **Post CLG flyers on your front window**.

WE THE PEOPLE MUST UNITE AND FIGHT AGAINST TYRANNY.

BUSINESS OWNERS – FLEX YOUR RIGHTS

Remain fully open without any of their unlawful orders such as inside/outside dining tents, limited capacity, and only take-out orders. This is a trap to get you to do something outside of your original contract/license then you ARE in violation of your license. Do not comply. without due process of law, they cannot take your livelihood away from you. Stand firm. If you are confronted or feel threatened, proceed with the following statements:

Make copies of your business license & liquor license because they may confiscate it from you. Replace the original license that is displayed with a copy and keep the original in a secure place. If any public servants post a notice on your business door **DO NOT** remove it. Cover the notice with one of our flyers. What they are doing is unlawful and a violation of well-established law and the Constitutional Law Group will prosecute them in their official and private capacity. Remind them that they are our Public Servant!

If you receive anything in the mail from The Health Department, Liquor board or Dept. of licensing, **DO NOT OPEN IT**. Take a photo of it then write **RETURN TO SENDER** on the envelope and send it back to them. What they are doing is unlawful and an act of harassment and intimidation.

If you are harassed, threatened, or intimidated by ANY government official, proceed with the following statements:

“Is it your intention to violate your oath of office and to knowingly and willingly coerce and intimidate me into surrendering my rights under duress?” If they force you to sign anything write the words **“Under Duress”** after signing your name, then draw a rectangle around your signature. Writing **“Under Duress”** after your name, gives you protection under well-established law.

By what authority do you have to trespass on my rights without due process of law? Under the U.S.C. 4th amendment I have the right to be secure in my person, house, papers and effects against any unreasonable searches and seizures, and this shall not be violated.

I am not answering any questions or statements because under the U.S.C. 6th amendment I have a right to have my assistance of counsel present in my defense. If they persist, inform them that **The Constitutional Law Group will fully prosecute you in their official and private capacity if you proceed.** Do not say another word until you have your assistance of counsel either present or on the phone.

BE BRAVE, BE COURAGEOUS. IF YOU DO NOT TAKE A STAND YOU WILL LOSE EVERYTHING YOU HAVE WORKED FOR.

It is past time the government starts to fear the people and time for **“We the People”** to take back our freedoms from a government that is set to destroy and compromise the rights of the people secured under the Constitution. **“We the People”** must respond and defend against these tyrants that are determined to steal under the cloak of “emergency acts” the rights granted to us by our Creator and protected under our United States Constitution.

LUKE 10:19

Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means harm you.

In God We Trust

REMEMBER THIS: THEY HAVE NO AUTHORITY!
