

CLAIM FOR DAMAGES ARISING FROM NEGLIGENCE AND POSSIBLE CRIMINAL CONSPIRACY BY

**THE U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES (HHS);
THE CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC);
THE NATIONAL INSTITUTE FOR ALLERGY AND INFECTIOUS DISEASES (NIAID); AND,
THEIR CONSPIRING ASSOCIATES**

WHEREAS, on April 25, 2003, the CDC sought to patent the "Coronavirus Isolated from Humans" in violation of 35 U.S.C. §101 which prohibits patenting nature; and,

WHEREAS, in addition to their attempt to patent the coronavirus associated with Severe Acute Respiratory Syndrome (SARS), they received patent rights to the detection and the manufacturing of a kit to measure fragments of the virus and their awarded claims were granted on August 17, 2010 in U.S. Patent 7,776,521 (the "Patent"); and,

WHEREAS, CDC, NIAID and their Conspiring Associates variously conducted descriptive, diagnostic, therapeutic, and, Gain of Function research on coronavirus and such research would have required the use or infringement of the Patent at U.S. taxpayer expense in various grants including, but not limited to, U19 AI109761; R01 AI 108197; R01 AI132178; P30 DK065988; U19 AI109680, and other grants; and

WHEREAS, in September of 2019, Dr. Anthony Fauci of the NIAID and Dr. Chris Elias, President, Global Development Program for the Bill and Melinda Gates Foundation, USA in their capacity as member of the World Health Organization's Global Preparedness Monitoring Board in their capacities as agents of NIAID and Conspiring Associates mandated that "the United Nations (including WHO) conducts at least two system-wide training and simulation exercises, including one for covering the deliberate release of a lethal respiratory pathogen;" and,

WHEREAS, on or about January 21, 2020, the U.S. reported its first case of coronavirus in Washington thought to be linked to what foreign sources had described as a "new" coronavirus; and,

WHEREAS, on January 31, 2020, HHS Secretary Alex M. Azar II, relying on information provided by foreign sources, declared a Public Health Emergency for the United States; and,

WHEREAS, on February 4, 2020, the United States Food and Drug Administration granted the CDC Emergency Use Authorization for a kit to detect coronavirus infection for which they provided no public notice regarding the establishment of an Institutional Review Board "with the concurrence of a licensed physician who is a member of or consultant to the IRB and is not otherwise participating in the clinical investigation" as required under 21 C.F.R. §50.24; and,

WHEREAS, on February 10, 2020, Dr. Anthony Fauci and Conspiring Associates were reported to discuss the financial benefit of the public becoming more committed to supporting research on coronaviruses in the article entitled, "Fluctuating funding and flagging interest hurt coronavirus research, leaving crucial knowledge gaps," in **STAT**; and,

WHEREAS, in contravention to established, peer-reviewed medical science, the CDC, NIAID, and Conspiring Associates promulgated a national clinical epidemiologic experiment using "social distancing" and "face mask wearing" in a healthy population without establishing any clinical

trial outcomes, without empaneling an Institutional Review Board, defining “informed consent”, and without reviewing the ethics of such experiment in contravention to the Declaration of Helsinki and 21 C.F.R. §50.20 ff, and provided guidance to Governors of the 50 states of the United States to carry out said experiment without any independently considered ethical review board finding; and,

WHEREAS, according to the International Committee on Taxonomy of Viruses' (ICTV) *Coronaviridae* Study Group (CSG) publication on March 2, 2020, the preliminary data suggesting that there was sufficient variation to determine this as a novel virus vs. a mutation of known coronaviruses was not based on established scientific principles but was responsive to the World Health Organization's prior unfounded declaration of novelty of both the virus and a new disease; and,

WHEREAS, there could be no independent verification of the epidemiologic models predicting dire infection and mortality rates as the underlying models and data were not published, and when sought, were reportedly corrupted so as to make their examination impossible; and,

WHEREAS, in violation of State law, no medical or scientific evidence was provided to establish **causal** links between the SARS CoV-2 and the symptoms of COVID-19 relying instead on foreign government hearsay and conjecture to conflate association with causation; and,

WHEREAS, based on the recommendation of the CDC, NIAID and the Conspiring Associates, no State official reviewed for accuracy or veracity any of the causal statements made in the Declaration of Emergency which contain false, misleading, and terror inducing statements; and,

WHEREAS, in violation of well-established legal precedent from *Jew Ho v. Williamson, 103 F. 10, 26 (C.C.N.D. Cal. 1900)* and subsequent public health law, arbitrary and capricious rules were insinuated on part of the population that were not applied generally resulting in the unlawful confinement of a healthy population with no basis in science; and,

WHEREAS the CDC and its affiliated organizations have routinely conflated infection endpoints from RT-PCR and serology; have repeatedly reported data from flawed or unsubstantiated models projecting morbidity and mortality data for the inducement of terror in the general population in violation of §802 of the Patriot Act's prohibition of Domestic Terrorism and, through this action, have sought to coerce a population and influence a government:

NOW THEREFORE, I, _____, have suffered harm arising from the negligent and illegal acts set forth above and seek the **bona fide** damages listed on my Standard Form 95.
