

PETITION FOR GRIEVANCES

Costco Wholesale

12345 Evergreen Way

Lynnwood WA 98502

Greetings **Craig Jelinek CEO Costco Wholesale**,

This is to give notice to you of your trespasses and breach of trust creating damages and irreparable harm and possible death to employees of **Costco Wholesale**.

I _____ the lawful **man/woman**, submit this petition for grievances under the authority of **We the People** without duress or coercion.

These statements are made to best of my knowledge and under penalty of perjury under the laws of the united States of America.

- 1 **CEO of Costco Wholesale, Craig Jelinek**, you are here now accused of depriving me with your defiant unlawful assault through coercion, intimidation, psychological warfare and acts of domestic terrorism. You have promoted the unlawful intimidation and coercion of unfounded medical advice by unlicensed practitioners of health.
- 2 You have acted illegally and unlawfully by denying me of my Constitutionally protected, unalienable right to breathe freely and to peaceably assemble without restriction by unlawfully demanding that I wear a medical device known as a mask, social distance or be subjected to an experimental gene therapy injection with unknown future repercussions.

You have unlawfully discriminated against me for giving no other option other than to wear a harmful medical device or be injected by an even more harmful and deadly experimental vaccination with no scientific testing or studies having a positive beneficial outcome.

3. You have created undue suffering, cognizant dissonance and have unlawfully humiliated and injured and continued to discriminate against me for my wise choice not to follow governmental unjust, unlawful, and unfounded mandates not supported by legislation or well-established law, documented scientific and medical fact causing continued mental abuse and assault through coercion and intimidation of unfounded scientific controlled studies.

4. Social unrest has been created by unfounded fear and propaganda being distributed and used to create mass panic, discrimination, and violence by the less informed in retaliation to those cognizant of well-founded principals in science and law.
5. You have knowingly and willingly engaged in domestic terrorism through coercion and intimidation by purposely promoting unfounded logic and propaganda to the masses throughout **Costco Wholesale** and shall be found liable under Section 802 of the Patriot Act.
6. Please consider this a FOIA request for your Risk Management Company and Indemnity Bond Carrier and policy number so that I shall be indemnified for your unlawful and egregious actions.
7. This petition for grievances shall be responded to within (10) ten business days of its receipt. Any correspondence shall be mailed to the address above and emailed to:

8. Those who knowingly and willingly refuse to abide by or provide the above-mentioned information shall and will be held in their professional and private capacity to the fullest extent the law will allow.

CONSTITUTIONAL REMEDY

Given the facts provided within this Petition for Grievances, I conclude that any and all unlawful actions taken by **Craig Jelinek CEO of Costco Wholesale**, have deprived me of my Constitutionally protected, unalienable rights, and has resulted in trespass, harassment, discrimination and injury against me. The liability for forced participation in a medical experiment, including injury or death may be incalculable and if harm or death occurs to myself or others, you shall be held accountable both professionally and personally. **By federal law Title 21 U.S.C. Section 360bbb-3(e)(1)(A)(ii)(I-III) of the Federal Food, Drug, and Cosmetic Act:** Individuals to whom the product is administered are informed-(III) Have the option to accept or refuse administration of the product, and under the Nuremberg Code, I am refusing any and all unlawful EUA products or testing on myself but *not limited to*; EUA Tests, EUA Medical Procedures, EUA Facial Masks/Coverings, EUA Investigational Products, including facial masks, EUA Testing Centers, EUA Health Data Tracking and Surveillance Platforms, Population Genomics Programs, Diagnostic Laboratories, IT Health Data Platforms. Social Distancing,

Covid testing, Temperature Taking and/or Experimental Gene Therapy Injections known as the COVID19 Vaccine. I move that this matter be rectified immediately, and that I and the public be made whole through demonstrating the end of all facial covering discrimination, social distancing, unlawful programs, policies and procedures violating my rights through the implementation of these unlawful programs and ensure Constitutional compliance and the training necessary for staff compliance of **Costco Wholesale**.
